Fixate on Oral care without cramping your style. Fill OHSO with your favorite toothpaste, carry it with you, and brush anyplace, anytime. A quick turn of the knob delivers paste right to the bristles.

- Self Dispensing
- Easy to Fill
- Use Any Toothpaste
- No Mess
- Stylish Design

MARKO

"OHSO gets my nod for the most stylish and futuristic toothbrush/toothpaste contraption on the market today,"

Blogger Josh Spear

"Now the real selling point and where the ingeniousness of it all becomes clear is in the loading process...You don't get dirty. There are no air bubbles. It's clean and simple, and brilliant."
